WaterCan's Clean Water Fund is a monthly donation program that makes it easy to give because:

- ✓ you can make donations in smaller more manageable amounts
  - ✓ there are no cheques to write or forms to fill out
  - ✓ you tell us the monthly amount you wish to give and afterward donations are automatically withdrawn each month
- It also means that administrative costs for WaterCan are lowered. Because funds are received regularly throughout the year, we can better plan our financial support for work overseas.

**Guarantee:** You can increase, decrease or stop this arrangement at any time by simply notifying WaterCan.
